

DETECTING DECEPTION & LATENT CONTENT

APRIL 30 - MAY 2, 2024

8AM TO 5PM

Prerequisites:

Students must be full-time, commissioned peace officers or Criminal Analysts working for a law enforcement agency.

Course Description:

This course will give you the tools to get to the *Truth* quicker. You will be able to laser focus your investigations and come to a quicker case resolve. You will recognize information in the words people use, that you have previously been missing! This course is also the foundation for a successful Analytical Interview; *removing the guess work from the interview* and recognizing if and how deception is present. Using the subject's own words, you will be able to laser focus your interview questions, obtain more information, and more confessions. Learn the psychological and linguistic principles behind the subject's chosen words. Taught how to obtain a "pure," uncontaminated statement.

Students will be introduced to the principles of psycho-linguistic profiling, learned in advanced analysis. The profile is invaluable for all investigators and gives them a distinct edge during the interview.
