AZ POST credit will be offered

Prerequisite: Students must be full-time, commissioned peace officers, crime analyst.

Course Description: This course will give you the tools to get to the *Truth* quicker. You will be able to laser focus your investigations and come to a quicker case resolve. You will recognize information in the words people use, that you have previously been missing! This course is also the foundation for a successful Analytical Interview; *removing the guess work from the interview* and recognizing if and how deception is present. Using the subject's own words, you will be able to laser focus you interview questions, obtain more information, and more confessions. Learn the psychological and linguistic principles behind the subject's chosen words. Taught how to obtain a "pure," uncontaminated statement.

Students will be introduced to the principles of psycho-linguistic profiling, learned in advanced analysis. The profile is invaluable for all investigators and gives them a distinct edge during the interview.

Who Should Attend: Investigators, Detectives, Officers, Analysts.

Continuing Education Hours: This course has been determined to qualify for AZ POST continuing training credit.
