*This course may qualify for training credit from your agency.*

**Prerequisite:** Students must be full-time, commissioned peace officers, crime analyst.

**Course Description:** The Arizona HIDTA Public Health/Public Safety Initiative is bringing together drug prevention, law enforcement, and the public to address the urgent need to work with communities, the public, and law enforcement on educating communities and parents about the health and societal costs and consequences of substance abuse. The Stronger Together learning collaborative employs substance use prevention practices that are evidence-informed and results-driven. The collaborative involves making positive systematic progress; learning from theory about what works; implementing those practices in a comprehensive manner; and resolving local youth substance use problems.

Agenda items for this training include:

- Arizona HIDTA Drug Threat Assessment for 2023
- Youth, Marijuana and Violent Behavior – Is there a connection?
- Deep Dive – Questions from the Arizona Youth Survey You may have Overlooked but Shouldn't
- Discovery Education Virtual Field Trip on Fake Pills – A new school lesson for 6-12 grades
