

UNIFORMED DRUG INTERDICTION

MARCH 11, 2024

8AM TO 5PM

Prerequisites:

Students must be full-time, commissioned peace officers or Criminal Analysts working for a law enforcement agency.

Course Description:

This course is centered around officers who wear a uniform and act in an enforcement role. Based upon simple and effective methods, students will be given step by step instructions on how to read and understand the deception in vehicle registration that drug cartels use to transport large amounts of narcotics in an urban setting. This course will also include instruction on The Patron Saints of Narco Traffickers, vehicle stops, knock, and talks, stash house indicators, case law and consensual contacts. The training students will receive in this class is not being taught anywhere else in the country. From the traffic stop to the stash house, basic simple methods that are effective in combating drug smuggling. Both instructions have more than 40 combined years of law enforcement and drug interdiction experience.
